## WEDDING PACKAGE

Your special day comes **once in a life time.**

At DM 'N' Shaye Photography not only do I understand how special this day is to you, I will treat your day as if it is my own. I combine the best of photojournalistic (candid) and traditional (posed) photography styles to capture your memories so they will last a lifetime.

Here are links to my website and some examples of my work:

*A special note about the Mascari Album: This is an album I did recently for this couple. They had an unfortunate thing happen with their wedding photographer in August 2002 and they were never able to get their album. After reviewing their album for the first time, their families were amazed at how I truly captured the emotion of the day. Their comment was, "imagine what he could have done if he had been the actual photographer".*

I know you have a lot of choices when it comes to choosing a photographer for your wedding. Please take a moment to review the attached information on my packages and contact me at **661-333-4235** to arrange a time to meet in person and go over all of the details. There is no obligation on your part.

***I am so confident in the quality of my work that if you are not happy with me after your engagement session, I will refund your deposit.***
